

Sponsor change sought for program

Lutterworth Deputy-Reeve, Glynn Lewis, a member of the Haliburton Local Advisory Board on Children's Services, has called for a change in the sponsorship of the Case Co-Ordination Program following the resignation of the program supervisor, Michael Wood.

Lewis made the remarks in a report to County Council on Wednesday. He informed council that the

program was initiated after a public meeting held by the Board of Education in 1981.

The Board approached the Ministry of Community and Social Services for financial assistance and consequently the Ministry agreed to fund the program.

The Haliburton County Board of Education became the sponsors of the program when it was initiated in March 1983. At that time, Michael Wood was hired to

supervise the program.

As a result of the meeting, the Board realized there was a need to co-ordinate all the services that were available to children who are affected by physical or mental handicaps or emotional problems.

It was pointed out at that meeting that although service agencies were available, many people had found difficulty in locating those services.

In his report to council, Lewis blamed Wood's resignation on "the inflexible attitude of the Haliburton County Board of Education."

"The problem," he said, "is that the Board was treating Michael as if he was part of their education system."

He added, "They did not understand that he was in a separate ministry," adding that the Board of Education

was only responsible for administering the supervisor's salary and expenses.

"The Board," Lewis said, "took an almost parental interest in Mr. Wood's position."

Lewis referred to the resignation of the supervisor as "a great loss to the county," and told council that the Advisory Board wanted to see a change made in the sponsorship of the program. He added that the

Advisory Board has notified the Board of Education of their concerns.

Dysart Reeve Murray Fearrey recommended that the County Warden Lyle McKnight should attend a meeting of the Board of Education in an effort to resolve the matter.

McKnight agreed and said he would discuss the matter with Lewis "to see what can be done to save the job."

New County Clerk

Appointed as the new County Clerk, Wanda Scott will assume her duties in January following the retirement of Wyn Lahay. Mrs. Scott, a native of Millbrook, Ontario, brings with her seventeen years of business experience including twelve years with Dawson, Gray and Dart in Haliburton.

County backs acid rain resolution

A resolution for the installation of sulphur scrubbers on smokestacks at two area smelters has received the support of Haliburton County Council.

Council was asked to endorse a resolution at a meeting on Wednesday, November 21.

The resolution was passed by the County of Hastings and submitted to all Counties and Regions in Ontario.

Citing the "devastation caused by the effects of acid rain" on lakes and forests of the province and noting that the problem is "rapidly becoming a disaster of enormous economic and ecological proportions" the Hastings Council resolved that, "The Province of Ontario be petitioned to bring additional pressure to bear upon the International Nickel Company and Falconbridge Mines to install appropriate sulphur scrubbers on their smokestacks in order to reduce emissions which are a major cause of acid rain."

Stanhope Reeve Harry Davis, a member of the county's Acid Rain Committee, told council that at a meeting held in Bracebridge this summer he had been informed by a representative of INCO that the costs to the company of installing the scrubbers was prohibitive particularly at a time when world metal markets were in a slump.

Davis stated that he could not support the resolution but emphasised that he did not oppose efforts to stop acid rain. He argued that the

mining companies should not be singled out for criticism noting that Canadian automobile manufacturers could also be criticised for their failure to install emission controls similar to the systems installed on American vehicles.

Dysart et al Deputy Reeve Gary McKnight responded that whether INCO had the money or not to install the scrubbers the problem had to be solved. He suggested that a more economical method might be found to reduce the emissions.

Bicroft Reeve Bill Howe questioned whether the resolution was being directed to the appropriate level of government.

He suggested that the federal government should provide funds to the mining companies to install the emission control systems on the smokestack. "Regardless of the cost it will be

cheaper in the long run to the taxpayers," he said.

He added that there was no point in putting pressure on the mining companies if they could not afford to install the scrubbers. He was joined by Warden Lyle McKnight in recommending that Council draw up another resolution.

Council unanimously endorsed the Hastings resolution in principal and recommended that "the provincial and federal levels of government should make monies available to the mining companies to assist in the objective of reducing pollution which will benefit all people in Ontario."

The resolution adds that while there is much concern

with the costs of the installation of scrubbers, prime consideration should be given to the effects of acid rain on tourism which is the very lifeline of many areas."

Favourable reaction to proposed museum site

Glebe Park in the village of Haliburton "stands an excellent chance of being chosen as the new site of the Kanawa Canoe Museum", according to the president of the Haliburton County Historical Society, Frank Wallace.

Wallace made the remarks in a report to County Council Wednesday. He informed Council that following the selection of Glebe Park as

the proposed site for the museum at a general meeting of the society in June, the president of the Kanawa Museum, Robert Dunn and the founder of the museum, Professor Kirk Wipper, had met several times with the society to discuss the proposal.

As well, the president had been taken on a tour of the county to acquaint him with

(more on page 2)

County votes to remove gull protection

In a split vote, County Council has endorsed a resolution recommending that the ring-billed gull no longer be classed as a protected species.

The resolution was passed by the Township of Downie in the County of Perth and circulated to all municipalities in Ontario with the request that the municipal councils endorse the resolution and notify their local members of parliament.

The Township of Downie Council passed the resolution as a result of concerns that the gull, which they describe as a "scavenger type of bird" is increasing in numbers at an alarming rate and is "decreasing the chance of survival of many other races of birds which are much more appreciated."

The resolution notes that the gulls are invading lake-fronts and beaches, polluting water sources, destroying and feeding on farm

produce, destroying the natural compost of agricultural land by feeding on countless numbers of worms and polluting streets and parks of many urban centres in search of food.

In commenting on the resolution Dysart et al Reeve, Murray Fearrey, described the ring-billed gulls as "a real menace" and a "real problem in our township."

He noted that the population of the gulls has increased ten-fold in the township during the past five years adding that the gulls are "the biggest distributors of garbage in the area."

Fearrey pointed out that the Minister of the Environment, Andy Brandt has stated that action would be taken if the pollution of the beaches in Toronto became more serious.

Fearrey added that if measures were not taken the pollution caused by the gulls would prevent people from using the beaches in Haliburton County.

Sherborne, McClintock, Livingstone, Lawrence and Nightingale, Deputy Reeve Don Shortreed agreed with Fearrey that there should be controls but cautioned "If we take them off the protected list it will be open season".

Fearrey responded that there would be enough concern to ensure that the species would not become extinct adding "they must be controlled".

Bicroft Reeve Bill Howe added his support to the resolution pointing out the dangers posed by the gulls at airports and noting that laws are rarely changed

unless pressure is brought to bear. The resolution was passed endorsing the position taken by the Township of Downie with the addition of a clause expressing concern over the devastation of beaches and the dangers on airport runways created by the ever increasing population of the gull.

Don Shortreed and Anson, Hindon and Minden Deputy Reeve Ed Pergolas voted against the resolution.

During the discussion Pergolas had stated that he had contacted officials of the Canadian Wildlife Service, the Ministry that has jurisdiction over the ring-

billed gull, and had been informed that the Ministry has no intention of removing the gull from the protected species list. Pergolas added that the Ministry has an agreement with the government of the United States to protect the gull.

Following the vote Pergolas suggested that a search be made of the records of County Council to see if a similar resolution was passed in the 1880's to remove the passenger pigeon from a protected species list. His point having been made, he withdrew his request.

Murder charges laid

A Guilford Township resident has been charged with two counts of first degree murder following an investigation Saturday in Eagle Lake.

The bodies of 28 year old Joan Hall and her two year old daughter Nadia were found in a home in Eagle Lake Saturday afternoon. According to the police, the two had died as a result of a loss of blood due to multiple stab wounds. Police believe the deaths occurred at 4:30 p.m.

The bodies were found in the home of the dead woman's mother, Gertrude Traviss. Police believe that a domestic confrontation sparked the incident.

Police arrested Bernard Hebert, 23, of Guilford Township, several hours after the bodies were discovered. He was arrested in Haliburton.

The man is being held in custody in Lindsay. He appeared in court Monday

Museum

(from page one)

the facilities in the Highlands.

On Saturday, November 17, Wallace, Dysart et al Reeve Murray Fearrey and the clerk-treasurer of Dysart, Wayne Wood, met with the museum board in Toronto.

Wallace reported that the verbal presentation "appeared to be well received" adding, "we do believe we stand an excellent chance of being successful."

Wallace also informed council that over a hundred canoes are presently being stored in the old chemical plant site in Donald as an interim measure.

Aside from their efforts to establish the new canoe museum in Haliburton, the society is also setting up committees to deal with historic sites, locations and events in Haliburton's past.

Wallace told council that the society hopes "to make our community more aware of our colourful past and to bring it more forcefully to the attention of our visitors, both summer and winter."

and was remanded to December 3 for his next court appearance.

Constable Al Bibby of the Minden detachment of the Ontario Provincial Police is the investigating officer. Detective Charles Judson of the Criminal Investigation Branch at General Headquarters in Toronto has been assigned to assist in the investigation.

EMPLOYMENT OPPORTUNITIES

Harvey MacIntosh retires after 35 years

Relatives, friends and associates gathered at the Minden Community Centre Saturday evening to pay tribute to Harvey MacIntosh of Minden who retired from the Ministry of Natural Resources after 35 years of service. The hall was filled to capacity as the retiring employee was honoured for his many years of dedication and service.

Master of ceremonies for the evening was Bob Schroeder of the regional office of the MNR in Huntsville where Mr. MacIntosh was located for the past ten years. He introduced a variety of speakers who paid tribute to Harvey's contribution during the past 35 years to the ministry. The guest of honour was also the subject

of a number of amusing anecdotes concerning his years with the ministry and his main outside interest, horses.

While Harvey's last ten years with the MNR were spent working out of the Huntsville office, his career with the Ministry began in Minden.

He joined the government agency when it was known as the Department of Lands and Forests in May of 1949 when he worked as a seasonal ranger. He began his full-time service in 1950. Harvey received his scaler's licence in 1951 and spent most of his time in the measurement of cut timber.

During his employment with the MNR he was also trained in fire suppression and attended the Ontario

Fire Rangers School in 1954. While working out of the Minden office, he also completed a law enforcement course.

Ten years ago he joined the wood management program in Huntsville. He continued to live in Minden, but travelled throughout the Algonquin Region as a regional check scaler and a wood measurement technician.

He retired in September of this year.

His experience in wood measurement meant that Harvey was also often called upon to instruct students in scaling timber. Schroeder noted that Harvey was an able instructor who quickly gained the respect and interest of his students.

Jim Butts, supervisor of the wood measurement

section of the Ministry of Natural Resources in Toronto, brought greetings from headquarters. He noted he had worked with Harvey for many years and always found him an enjoyable fellow employee.

Harvey was presented with a loose leaf binder filled with letters of congratulations and best wishes from associates, supervisors, logging operators, politicians and others.

In response to the comments, Harvey expressed his appreciation to all in attendance. He paid particular tribute to the support and assistance of his wife Blanche and his family. "You can't do it all alone. Anyone who tries to do it

without his family is not enjoying life."

Harvey introduced his family to the audience then paid tribute to many individuals and couples in attendance.

Following the banquet and speakers, the guests enjoyed an evening of dancing which included square dancing with music supplied by five fiddlers, all friends of Harvey's.

Those from outside the county in attendance travelled from Toronto, Orillia, Barrie, Bracebridge, Gravenhurst, Huntsville, Sault Ste. Marie, Bruce Mines, Sudbury, North Bay, Eganville, Pembroke, Peterborough, Bancroft and other communities.

Harvey and Blanche MacIntosh were presented with a wooden plaque depicting horse-drawn log skidding operation Saturday evening at his retirement celebration. The scene had special significance for Harvey as he is the owner of a team of Belgian horses.

Council says 'no' to use of name for sled race

A request to use the name "Haliburton County" for a dog sled derby planned for January has been rejected by county council. The matter was discussed at the November 21 meeting of the council.

An organizer of the event, Val Lougheed, had written to the council seeking permission to call the event the "Haliburton County Dog Sled Derby". The races are scheduled to be held in Minden January 12 and 13.

The council was told that the derby had the support of the Haliburton Highlands Chamber of Commerce, the Municipality of Anson, Hindon and Minden and the Minden Business Improvement Area (BIA). The

organizer said she hoped the race would become an annual event in the county.

Monmouth Reeve Keith Tallman questioned whether the county would be liable for damages or injuries that occurred during the event if it sanctioned the use of its name. He also wondered if the Chamber of Commerce had provided funding for the event. "They should be careful who they fund," the reeve said.

The council's representative of the Chamber of Commerce board of directors, Stanhope Deputy Reeve Elgin Stouffer told the meeting that the organization was providing assistance to the race organizers but was not

funding the event. The municipality of Anson, Hindon and Minden has provided a \$1500 grant for the race, while additional support has been offered by the Minden BIA.

Stouffer personally endorsed the derby, adding that it would benefit the county during the slower winter season by attracting more visitors to the area.

The council agreed with a suggestion offered by Dwain Wruth, Deputy Reeve of Snowdon Township, if there was concern over liability, the event could use the name the "Haliburton Highlands Sled Dog Derby" and thereby avoid any direct connection to the county.

Why the home on the left shouldn't be heated like the home on the right.

On the left? Bill and Kim, the twins, baby Sarah. They've revitalized their furnace with an electric plenum heater; it's one of the most economical ways to cut winter fuel bills. And they've turned the drafty old attic room into a warm nursery with insulation and inexpensive, easy-to-install baseboard heaters. There's a separate thermostat, so baby's room can be kept at exactly the right temperature without overheating the rest of the house.

On the right? Mike and Stella-empty-nesters. They've installed an add-on electric heat pump to help save money and heat their home in winter and they're looking forward

to the comfort of air conditioning next summer. It was easy to add, cuts their heating costs and adds to the value of their home.

Electric heat provides homeowners with many options for either total or partial conversion. Whatever your needs, there's an electric system that's just right to help you cut costs, without cutting corners on comfort. Once you understand the flexibility of electric heat, other heats just don't look so hot.

Write to Ontario Hydro and ask for your free booklet about satisfied families who installed electric heat. Ontario Hydro, 620 University Avenue, Dept. U4E3 Toronto, Ontario, M5G 1X6.

Get some straight talk about home heat.

A race by any other name.....

What's in a name?

For some members of county council there is obviously a great fear of the unknown consequences which could arise in lending the name "Haliburton County" to an event taking place within its borders. The consequence, if one is to believe Monmouth Reeve Keith Tallman, as some members of the council did, could be acceptance of liability for injury and damage.

How ridiculous!

Taken to its fullest extreme, we can assume that the county council takes responsibility for the Haliburton County Snowmobile Association and those who join the organization, for the actions of the Haliburton County Home Support Services, or what appears on the pages of the Haliburton County Echo. These organizations and businesses are just a few who already incorporate the words Haliburton County into their names.

We suspect that the race organizer petitioned the county council as a courtesy. The councillors should return the courtesy and welcome the exposure events like this bring to their county. No one expects the county, as a corporation, to accept any liability of any sort when some group, organization or event wants to include the name of this county in its title.

Finally, we suspect that the county council has no right to control the use of the name "Haliburton County". The political and corporate entity is legally known as the Corporation of the County of Haliburton or the County of Haliburton for short.

Camp tax delayed

- by John Eakins, MPP -

I doubt very much that the Honourable Claude Bennett, Minister of Municipal Affairs and Housing, will be introducing legislation in the near future with regard to lot licensing in trailer parks.

Many individuals and camp owners have contacted me to express concern that legislation would be coming into effect on January 1, 1985, without an opportunity for prior discussion and adequate input. I am pleased that the Minister will now put the date of January 1 on the back burner and call for presentations from the campground operators, as well as municipal councils, associations and individuals. In my view, the Minister's proposal was excessive and made in haste.

After being questioned in the House, the Minister gave the following response:

"Mr. Speaker, I met with the Ontario Private Campground Association, along with some of their associate members, to discuss the potential of bringing legislation into this House that would relate to taxation or fees against trailers that are stationary on a park for a period longer than 30 days.

"The House is fully aware that this comes as a result of

municipality after municipality asking the government to look at the possibilities of putting into place some revenue-producing opportunities for them as far as trailers are concerned. It comes as a result of requests from not only municipalities but also cottage owners who believe there is an unfair advantage being taken by people whose trailers are stationary on a piece of property for a longer period than 30 days.

"I told them we were looking at some potential legislation. I reviewed with them some opportunities, and I want to underline that phrase 'some opportunities'. They expressed to me some views that they thought might want to be included in legislation if we were to produce some in this House during this session. I am looking at that. I have not offered them or my caucus colleagues any guarantee that we will be introducing legislation in this session.

"As far as the date of 1985 is concerned, there will be no fee implemented in relation to the campers. I indicated that thinking to the Campground Owners' Association because of the time factors that are involved in producing a legislative piece

of business. I clearly indicated that to them at the time, and I emphasize it again here today. It will not come into effect on January 1, 1985.

"As the Minister, I still take the privilege of reviewing the situation in relation to the comments that were made by the Campground Owners' Association and of discussing with the members of the caucus of this government party as to which direction we might want to take, whether to produce a bill or whether to get into a white paper and to try to flush out more comments from municipal associations, the Campground Owners' Association and private citizens. That is a privilege I will retain, and I will make that decision as we go along."

In the meantime, I would urge anyone interested in proposed legislation to prepare letters or briefs for submission to the Minister at the appropriate time. I will ask the Minister to allow public input. Submissions should offer positive alternatives.

Please let me know your views, so that I can better represent you when I speak on this issue in the Legislature.

outdoors

Federation of Ontario Naturalists

The new federal government has lost no time in announcing its priorities. And environmental protection does not appear to be on the list.

The details are just beginning to emerge. But the overall direction seems clear from the first round of program cuts within Environment Canada and the National Research Council. Key research and public education programs will disappear on April 1, 1985, in what is only the first phase of major reductions to the federal budget aimed at freeing the entrepreneurial zeal of Canadians to spur economic recovery.

The strongest blows to date have been dealt to the Canadian Wildlife Service. One third of its scientists have been given their walking papers. With them will go a unique expertise and research effort that is world class and vital to our ability to track the circulation of poisons in our environment. In addition, across the country the axe has also fallen on wildlife interpretation centres and a variety of research and re-introduction programs for endangered species.

Here in Ontario, the herring gull egg research program, carried out on a shoestring budget, and responsible for pointing out the presence of dioxins in the Great Lakes, tops the list of casualties. Chopping this program is akin to killing the fabled canary which miners took underground to warn them of unseen dangers. We simply won't know the hazards we face.

Does all this sound somewhat familiar? It should. There are definite parallels with the early actions of the Reagan administration when it unleashed James Watt and Ann Burford to attack the American government's environmental programs.

Whatever the Mulroney government's motivation, it was not elected with a mandate to reduce the federal commitment to environmental protection. Repeated public opinion polls show that a huge majority of Canadians favour stronger, not weaker, efforts to clean up the environment. Canadians do not see environmental quality as a non-essential "service" that in any way blocks economic recovery, as it has been described by one cabinet minister. Furthermore, a mammoth federal survey, summarized in 1983 in *The Importance of Wildlife to Canadians*, revealed that wildlife activities generate billions of dollars in consumer spending every year. And the government has identified increased consumer spending as a prerequisite for economic growth.

letters letters letters

Editor:

One exceptionally valuable aspect of Anson, Hindon and Minden's recently approved procedural bylaw applies to notices-of-motion. Any member of council may table notice of a resolution that he or she sponsors. It then rests a couple weeks until the next regular meeting at which time it must receive a seconder to be discussed and voted upon, or die on the agenda. The intervening time between notice-of-motion and tabling for a seconder allows for a number of things to happen not the least of which is public awareness and discussion of the issue at hand.

At last meeting of council I tabled a notice-of-motion that will be heard December 13. Simply put, I am soliciting council's support for the allocation of one dollar per municipal household for overseas famine relief, and if that support is gained, for Anson, Hindon and Minden to contact the federal government for advice as to how that amount may best be channelled. This is not a traditional use of municipal coffers, and yet I believe it is

a use that is sensitive to changing times and a need for changing priorities.

The sum of money involved is \$2648 based upon a 1982 Census. The proposed use of an amount is for 1984 only, although I am in favour of an annual expenditure of this sort. The specific use of the funds could be determined after discussions at local and federal levels and possibilities range from support of existing aid programs to fostering a third world municipality. I am aware of the criticism that will be brought to bear on such a proposal.

Can we afford the money involved? Doubtless these are times of restraint. Municipal revenues are hard pressed to match expenditures, and yearly we struggle to maintain some services let alone improve upon them. But yes, I believe we can afford the \$1.00 per household. Municipal reserve funds at the end of 1983 amounted to \$115.00 per household. Bank interests made on this and other municipal accounts amounted to \$6.12 per household. The surplus of the 1983 budget vs. actual 1983 expenditures was \$1.51 per household. These amounts

are not, of course, loose cash on hand. They are all accounted for in annual budgets and participate in municipal financing operations. What they do show though is the flexibility to allow a \$1.00 per household expenditure for anything at all if the expenditure can be justified.

Why should we spend on overseas aid? Don't we have enough reason to help fellow Canadians? In September of this year Statistics Canada reported an additional 800,000 Canadians live below the poverty line, swelling the number of impoverished in this land to 4.3 million or 18% of the population. This past June, representatives of the United Church, Anglican Church, and Salvation Army pointed to a "scandalous number of people, especially children that are going to bed hungry". The National Council of Welfare just recently petitioned the federal government for more assistance to the 300,000-plus single seniors living in poverty in Canada. And yet I think we would be unfair to offer the need for assistance to our impoverished fellow Canadians as a

Repercussion

The Haliburton Guild of Fine Arts began their 1984-85 Concert Series with a performance on Monday evening that was informative, humorous and entertaining.

The group, Repercussion, delighted and amazed the capacity audience at the Haliburton Highlands Secondary School in a show that combined classical works, ragtime tunes, rock and roll, minimal music and their own original compositions.

The four members of the Montreal based group are expert percussionists with extensive backgrounds in music.

Repercussion was formed in 1978 and has toured throughout Europe, the Middle East, South America, the United States and Canada.

In Monday's performance the group displayed amazing skill and virtuosity on mallet keyboards and drums.

Between numbers, the members of the group took turns explaining the history of their music and instruments; usually in a humorous vein.

The music was taken from many cultures and covered many eras from the latest contemporary minimal compositions to ancient African folk songs.

The performance gave proof to the statement made to the audience by one of the members that "percussion is as old as life itself."

In one of the few serious moments in Monday night's performance, members of the group Repercussion execute a flawless military tattoo. Group members from the left, Luc Langlois, Robert Lepine, Aldo Mazza, and Chantal Simard.

letters letters letters

(from page 4)

reason not to assist those overseas who face certain death let alone poverty. Churches and agencies are aware of Canadians living below the urban family poverty line of \$19,397, or of those that go days without proper nourishment. Certainly those are issues that need be addressed, but they should not be compared to the resignation of death by starvation.

Why should municipal revenues be used this way at all? Isn't it an improper use of public funds? Why not leave things as they are? Traditionally foreign aid has been channelled through federal agencies, Churches, and private groups. Yet we would be wrong to think that municipal revenues are a sacrosanct resource that

relies only on a system of unemotional and 'business-like' ethics for dispensation. Consider that the 1983 Anson, Hindon and Minden municipal budget was subsidized by \$776,301 of redistributed provincial and national revenue. Consider further that it was only a short while ago that it was illegal for individuals to participate in lotteries. Now think about the sixty-eight million dollars Ontario treasurer Larry Grossman reported in February, 1984 that will be the estimated profit for the provincially run lotteries. This is a profit that relies upon annual ticket sales amounting to \$196 per Ontario household. Sports Minister Otto Jelinek cancelled federal participation in lotteries calling them, "a tax on the

poor, perhaps even an immoral way of collecting taxes. There is no question that lotteries are indirect taxation."

We in this municipality are part of the 5% of the world population that enjoy the consumption of 85% of its production (including food). If greed may become the basis for tax revenue, I respectfully suggest that charity is a legitimate consideration for tax expenditure. Especially at the modest expense of \$1.00 per household.

Gary Kenney,
Blairhampton.

Engineer will examine building

A provincial government engineer will be consulted to determine a method of preventing water seepage at the Minden Library-Cultural Centre.

Anson, Hindon and Minden council was informed by Bylaw Enforcement Officer Dick Schell, that the services of a professional engineer could be provided at no cost to the municipality by the Ontario government.

He advised council to consider these services before any work is undertaken to prevent the seepage of water into the interior of the log structure.

He noted that several methods have been considered including the installation of metal flashing

from the second course of logs to the outside of the concrete pad.

It has also been suggested that the lower course should be replaced with concrete or

cement block.

Council agreed with the recommendation and instructed Schell to arrange an inspection by the engineer.

We need your help to Save Your life or one of your loved ones.

EVERYONE WELCOME — Light lunch served.

from the chamber

Finance Minister Wilson in his inaugural economic address painted a bleak picture of Canada's future if we continue in the economic direction set by the prior government. He emphasised that the size of the government deficit and the projected increases therein, was equivalent to over-mortgaging one's home so badly as to bring ultimate financial disaster.

The government's immediate objective is to reduce the size of the deficit primarily by reducing government expenditures and, as soon as government revenues permit, there will be new initiatives to stimulate private investment.

While we were promised much consultation, many discussion papers and more parliamentary committees, the list of concrete, specific actions now decided on, is rather short.

The new government says they will avoid "politically appealing quick fix" prescriptions, so we will probably have to wait until the promised spring budget to hear their more substantive ideas for correcting our economic woes.

Topical Canadian tax and business information is made available to your Chamber of Commerce by Ernst and Whinney, Chartered Accountants.

Calendar of Events

November 29 to December 1. The Agnes Jamieson Gallery is having their annual Christmas show and sale in Minden. The arts and crafts are works of county residents and surrounding area and have proved to be very popular for Christmas gift giving. For more information call the Gallery at 286-3763.

November 30. The Guild Fashion Show will take place at the PineStone Inn at 8:00 p.m. Vogue supplied patterns to be embellished with craft work of our resident artists. Guild groups of painters etc., will be participating and it should prove to be a very interesting and stimulating evening. For more information contact Ralls' End Gallery 457-2330.

December 1. The Haliburton Minor Hockey Association will be sponsoring a Bantam hockey tournament at the Dysart Arena in Haliburton Village involving 8 teams. Contact Len Salvatori 457-2765.

December 5 - January 12. The Agnes Jamieson Gallery will be hosting the Haliburton Highlands Rug Hookers who will be displaying their talents in crating wall hangings, rugs, pillows and other decorating and apparel accessories. Some of the items will be for sale. 286-3763.

Legion hosts meeting on Cat Scan fund

On December 3, at 8:00 p.m., Branch 129 will host a public educational program regarding the Cat Scan machine, in the Legion hall. Slides will be shown, and these will be supplemented by an informative speaker.

What is the Cat Scanner? Recent technology has provided a combination computer and x-ray machine which provides a totally new approach in the field of x-ray imaging which replaces older and less accurate techniques which carried a greater risk for the patient. The tiny differences in the density of body tissue can now be seen in a much safer way. Results have been likened to looking at individual slices of a loaf of bread instead of seeing only the whole loaf.

Why should Haliburton County residents be interested? At present, hundreds of residents of this district require the benefits of the Cat Scan. But, they must be sent to Oshawa, Kingston, or Toronto to receive such benefits. While these hospitals try to help us, their primary commitment is to

patients of their own community. Thus, we must encounter a long delay which can stall the patient's diagnosis. This fact need not be so negative, because there is a possibility that with a concentrated effort of everyone in our community, we can help to acquire a machine to serve the needs of our region. Indeed, residents of other counties, such as Victoria and Peterborough, have already taken the initial steps.

What can we expect from the Cat Scanner? The machine's ability to detect diseases such as cancer can make the difference between life and death. Conclusive diagnosis in head and spine injuries are allowed. Stroke patients, and those with back pain can be helped. These are some of the areas where Haliburton County patients will benefit.

This is an invitation for the general public to attend the program at the Legion hall, to enjoy refreshments after, and to learn more about how the Cat Scan can help you.

Mabel Brannigan, P.R.O.

PeeWees pick up two wins

The Minden Tri-County PeeWees got off to a slow start this season, by losing their first game to Little Britain 5-1 and their second game to Oakwood 6-0.

They came alive by defeating Ops 10-0 in a well-played game in Minden. The game was a shutout for little goalie Emlyn Rossowski.

The Minden team then went on to defeat Beaverton by a score of 7-2 in Minden and by a score of 8-4 on Beaverton's home ice.

Playing against Manvers on Sunday they tied the opposition 5-5 in a well-played game with only one penalty to Manvers in the first period.

With a sizzling start, Manvers' Jason Allen scored the opening goal.

Minden held them to the one point lead until the second period when Robie Ackerblade tied the game on a pass from Mike Muli.

Manvers took the lead again when Tim Jackson scored unassisted. In the third period, Robie Ackerblade added his second goal with an assist from Jason Scarlett.

Stephen Schrader then put one in the net on a pass from Jamie Dollo and Derek Moore.

Minden went ahead by two goals when Mike Muli found the opening and scored on an assist from Jason Scarlett and Justin Gentle. The lead was short lived however. Manvers put on the pressure and Robert Bailey score two in a row to

tie the game.

It was an exciting and well-played game by both teams.

The team's record now stands at three wins, one tie

and two losses.

The Tri-County PeeWees play their next home game at the Minden arena on December 1 at 4:00 p.m. against Fenelon Falls.

Alvin Miscio wins Big Buck contest

The winners in the annual Big Buck Contest sponsored by the Minden Kinsmen Club were:

\$100 winner with a 251 lb

prize was Alvin Miscio of Minden. Second place and a prize of \$50.00 went to Spike Moxam of Minden with his

227 lb deer and the third prize of \$25.00 was claimed by Stephen Zeller of Minden whose trophy weighed in at 191 lbs.

The awards were presented at the annual Hunters Ball held in Minden Community Centre on November 17.

PROPERTY ASSESSMENT

and your 1985 Municipal and School Taxes

Regional Offices located throughout Ontario are responsible for assessing all real property for the purposes of municipal and school taxation.

The resulting Assessment Rolls are delivered to municipalities which use them to set their mill rates and compute municipal property tax bills.

The amount of property tax you pay on your home or business depends on the assessed value and the mill rate set by your municipality. The assessed value multiplied by the mill rate will determine your 1985 property taxes.

Open House Sessions

Open Houses are your opportunity to fully understand your assessment and to evaluate its equity.

Open Houses are held in every municipality at convenient times and locations, to provide you with the opportunity to discuss your assessment with staff of the Regional Assessment Office.

An assessor will be pleased to explain the basis of your property assessment and is authorized to amend any information as may be necessary prior to the delivery of the Assessment Roll to your municipality.

If you have any questions but are unable to attend the Open House, please contact your Regional Assessment Office at the address or telephone number shown below.

Assessment Notice

Property owners and tenants will receive an Assessment Notice **only if information regarding their property or assessment was changed during the past year, if the assessment was appealed last year, or if the property has been reassessed under section 63 of the Assessment Act.** If you receive an Assessment Notice, it may reflect changes you have requested in your school support designa-

tion, in the amount of your assessed value, or other recorded information on last year's Notice.

Appeal Procedure

If, after attending your local Open House, you are still dissatisfied with your assessment, you have a right to appeal it to the Assessment Review Board. The Assessment Review Board conducts informal hearings and is responsible for determining whether the assessment under appeal is fair and equitable with the assessments of similar properties in the vicinity or neighbourhood, and may alter your assessment accordingly.

Appeal Deadline

The final date for appealing your assessment is January 9, 1985.

Your appeal must be forwarded, either on a Notice of Appeal Form or as a letter, to the Regional Registrar of the Assessment Review Board on or before January 9, 1985, noting your property address, Roll Number and the reason for the appeal.

To assist you in this regard, Notice of Appeal forms and the address of the Regional Registrar of the Assessment Review Board are available at Open Houses, your Regional Assessment Office, or your municipal office.

Schedule of Open Houses

Juveniles maintain hectic pace

The Minden Juveniles have just completed an exhaustive five game schedule that included two regular games and three games at a Juvenile Tournament in Gravenhurst.

Minden began the five game series on a losing note when they were defeated 5-4 by Fenelon Falls at the Minden arena on Friday. It was the first defeat for the Minden team this season. Fenelon Falls also had a perfect record coming into the game.

Scoring for Minden, in the seesaw battle was Dennis McKee, unassisted, Boomer Stamp, unassisted, Bernie Upton from Boomer Stamp and Chris Laporte from Jeff Howe.

Minden pulled goalie Kevin Smith with a minute

remaining in the game in favour of a sixth attacker. With 30 seconds remaining, Chris Laporte bounced one off the post but that was as close as the team came and Fenelon Falls hung on for the 5-4 victory.

On Saturday, Minden lost another close contest in their first game of the Gravenhurst Tournament.

they were defeated 4-3 by Schomberg who went on to win the championship round of the tourney.

Minden outshot Schomberg 34-24 and outplayed the opposition but they were up against a hot goalie who stopped all but three shots.

Scoring for Minden were Scott Hamilton from Bernie Upton and Doug Schell; Jeff

Howe from Lennie Johnston and Jeff Howe with his second goal from Chris Laporte and Lennie Johnston.

Putting their previous losses behind them, Minden went on to win the next two games of the tournament to gain first place in the Consolation round.

In the first game of the consolation round, Minden defeated Powassan 5-2.

Lennie Johnston opened the scoring on a pass from Boomer Stamp in the first period.

The second period belonged to the line of Chris Laporte, Jeff Howe and Lennie Johnston.

Chris scored three unanswered goals on assists

from his linemates. Scott Hamilton put Minden ahead 5-0 on an assist from Doug Schell in the third period before Powassan ruined goalie Kevin Smith's shutout with six minutes left in the game.

Powassan added one more goal to make the final score 5-2 for Minden. Minden's final game of the tournament saw the Juveniles double Bracebridge by a score of 6-3.

Scott Hamilton and Jeff Howe contributed two goals and an assist each in the victory.

Other goal scorers were Bernie Upton and Chris Laporte. Assists also went to Lennie Johnston and Bernie Upton with two each,

Shayne Yateman, Dennis McKee and Chris Laporte with singles.

The Juveniles made it three in a row as they returned to Minden and the regular schedule on Sunday. They defeated Omemee 7-2 for their fifth regular season win in six games.

Goalie Kevin Smith allowed only two goals in the second period as his team mates dominated the play throughout the game.

Scoring for Minden were Jeff Howe with two goals, Lennie Johnston; Barry Boice; Daryl Ward; Bernie Upton and Scott Hamilton, all with singles.

Assists went to Scott Hamilton and Bernie Upton with a pair each, Doug Schell, Chris Laporte, Barry Boice and Shayne Yateman with singles.

The Juveniles travel to Woodville on Saturday December 1, then play their next home game at the Minden arena on Friday, December 7 at 8 p.m. against Bracebridge.

Atom tourney won by Lindsay

The Lindsay Atoms are the winners of the 1984 Atom Tournament held on Saturday at the Minden arena.

Winners of the Consolation were the team from Oakwood.

The tournament began early Saturday morning with a game between Haliburton and Minden.

Haliburton won the game 4-3 in overtime to advance in the championship round.

They lost out to Lindsay by a score of 13-0 in their second game. Minden played St. James in the consolation round and were

Minden Atom goalie Aaron Hie smothers the puck as a St. James player presses the attack during a tournament Saturday at the Minden arena.

also defeated by a score of 5-0.

A total of eight teams from south eastern Ontario took part in the tournament.

Kickers claim Kawartha cup

The players on the Haliburton Highlands Secondary School Senior Soccer team had every reason to be proud as they posed for a team photograph on Thursday.

Under the guidance of coach Glen Scully, the team captured the Kawartha West Cup after winning every game of their regular season.

In the nine games they played, including the finals, the team won six games by shutouts. They amassed a total of 26 points during the season while allowing only four goals.

Their only defeat this season came in the Kawartha tournament in Peterborough.

Team members include Barry Scully, Bill Wulleme, Vincent Duchene, Leonard Johnston, Paul Walker, Daniel Stiver, Kevin Barry in the front row. Back row, Dennis McKee, Dave McCall, Chris Carl, Paul Milne, Bernie Upton, Robert Milburn, Tom Eager and Kevin Sicard. Absent when the photo was taken were Eoin Ross, Chris Laporte, Jeff Howe, Scott Burgess and Falk Fluegel.

Figure skating is both an art and a skill that requires dedication, determination and long hours of practice to become proficient.

Jane Symons knows the importance of determination and as coach of the Minden Figure Skating Club, she is able to pass along that knowledge to her students and at the same time, provide inspiration to the younger skaters.

This is especially true this season for after years of hard work, Jane was awarded the gold medal for ice dancing.

Jane began the long climb to the top in 1971 when she competed in the preliminary class. In the intervening years she was successful in acquiring her junior and senior bronze and junior and senior silver medals.

Then after she had coached the Minden Figure Skating club for three years and had continued to practice her own program, Jane performed in front of three judges in Uxbridge on May 17 of this year and was awarded the gold medal for ice dancing.

Jane explained, "I was determined to get my gold medal no matter what."

She added that although she did not attain high enough marks in several of the medal divisions, she continued to work toward her goal and was successful in her repeat performances.

She describes the gold medal as being her biggest accomplishment in her skating career.

Her work with the Figure Skating Club can be added to that list of accomplishments.

The club will be presenting their annual skating extravaganza during the Winter Carnival this year and although Jane is not certain whether she will be performing, she will be there on the sidelines offering help and encouragement, two ingredients that are also important to young skaters who themselves may one day, skate for the gold.

Dave Hartwick leading scorer

In games played in the Minden Men's Recreational Hockey League over the past week, Home Hardware, Vasey Real Estate and Hall's Insurance came up winners. On Thursday, Hall's doubled The Times team 8-

4.

On Monday night The Times lost their second game in a row to Home Hardware by a score of 13-3.

In the other game played on Monday, Vasey's outscored Hall's 7-1.

The following are the top ten scorers in the Minden Men's Recreational Hockey League after five weeks of play.

		G	A	Pts.

around the county town

Call 286-1288 — 9 a.m. - 4 p.m.

The third rotation of the present Katimavik project has arrived in Minden.

Members of the group have decided to return the hospitality shown them when they arrived in Minden by hosting an open house at their new home. The open house will take place on Wednesday, November 28 between 7 and 9 p.m.

Mr. and Mrs. Arthur Thorpe of Caledon Hills were guests during the weekend with Mr. and Mrs. Earl Hewitt of Minden.

The craft and bake sale at the Agnes Jamieson Gallery in Minden will be held November 29 from 10 a.m. to 5 p.m., November 30 from 10 a.m. to 8 p.m. and Saturday, December 1 from 10 a.m. to 5 p.m. An excellent place to get those special little Christmas gifts.

A large number of friends and relatives gathered at the Community Centre on Saturday evening to honour Harvey and Blanche MacIntosh. We understand a good time was had by all and we too wish Harvey many long and happy years of retirement.

Congratulations to Emiline Bryant who enjoyed her 80th birthday party at the Orange Lodge Hall in Haliburton on November 24.

Did you see H.R.H. The Prince of Wales on Sunday afternoon on Channel 5 telling a children's story which he had written for his two younger brothers when he was 21 years old? It was excellently done and showed a great deal of humour and wit.

Hazel and Nelson Austen enjoyed a dinner party November 16 at Roland's in Peterborough as guests of their family on the occasion of their 40th wedding anniversary. Belated good wishes go to Nelson and Hazel.

Mr. and Mrs. Sigmund Weiss have returned after a visit with their son Ed and his family in Saskatoon, Saskatchewan. They also visited Dawson Creek, B.C. while they were away.

Winners of the card party at St. Paul's Parish Hall last Thursday afternoon were, lone hands - Harvey Woolley and Irene Houghton (draw), Isabel Robertson, Pat Moore and Jack Weekes.

The Share and Learn group at the library/cultural centre would be happy to share their Christmas ideas with you on Tuesday,

December 4 at 7:30 p.m. They suggest you bring some of your own ideas as well, they'd be glad to see them.

The members of Club 35 held their first meeting with new president Murray Daniels in the chair. The club plans to keep operating during the winter months with Monday night euchre being one of the constant features. Attendance at these games has been excellent. The Club is also planning their New Year's Eve dance, one of the most popular events of the year. Velda Harrison will be in charge of appropriate decorations and the social committee of Eleanor Ferris and Betty Campbell will be looking after the midnight meal. Information regarding tickets may be obtained by calling Velda Harrison at 489-2816.

The parishioners of Our Lady of Fatima Catholic Church are busy preparing for their Christmas bazaar. Through the kindness of the congregation of St. Paul's Anglican Church in Minden, who made their hall available, the Lady of Fatima group are able to present many crafts and baked goods on Saturday, December 8 from 10:30 a.m. until 3:00 p.m. Christmas decorations will be featured as well as draws on various items, including a Cabbage Patch doll. Tea and coffee will be available and a special visit from Santa Claus should delight all the children.

Winners at Monday evening's card party at Club 35 were: high man - George Alson, high lady - Mabel Trodd, lone hands - Len Trodd. The door prize went to Elsie Hornby and other prizes were claimed by Inez Mestroni, Edith Russell and Ralph Schad.

There will be a show by the puppet theatre in Archie Stouffer Elementary School on Monday, December 3 at 10:30 a.m. All children are welcome and admission is free.

Minden Figure Skating Club are sponsoring a skating supplies sale at Minden Arena from 3:30 to 6 p.m. Skates, dresses, etc.,

will be available from McCranks of Bracebridge and there will also be a draw for a raffle.

May we remind you of the library hours in Minden Library? They are open on Mondays from 3-5 p.m., Tuesdays, 3-5 and 7:30-9 p.m., Wednesdays 3-5 p.m., Thursdays and Fridays, 3-5 and 7:30 to 9 p.m., and Saturdays from 3-5 p.m. Take advantage of these hours to get your books ready for a long cold winter!

We are very very happy to report that Tony Birrell, son of Mr. and Mrs. Bruce Birrell is coming along nicely in St. Michael's Hospital in Toronto. Tony has been a patient there since August after a water-skiing accident which fractured his skull and ribs. Congratulations Tony, keep up the good work - our thoughts and prayers are with you.

Sincere congratulations go this week to Reeve Ron Gambell of Lutterworth Township and Wendy Wilkins of Ingoldsby who are tying the knot on Friday, November 30 in Ingoldsby United Church. Every good wish to you both.

A note received from our friend Alex Stevenson of Staunworth Court tells us that the residents recently enjoyed a program of Country music and singing on Tuesday, November 30. The volunteer musicians were Shirley and Murray Davis, Gordon Houghton and Marvin Rivers. Two of the residents, Sadie Kitcheman and "Paddy the Irishman" provided their share of the entertainment by singing a number of songs that also delighted those present. A luncheon was served following the entertainment and during a discussion at that time, the residents declared an interest in forming a committee to develop a program of activities at Staunworth Court. It was also decided to hold a Christmas Party to which the directors of the housing corporation will be invited. The evening ended with a vote of thanks to the entertainers and to the ladies who provided the food. A most pleasant way to spend an evening.

Sincere sympathy to the family and friends of the late Mr. Don Finlay of Tory Hill.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

What Am I?

I'm sometimes green and sometimes brown. I'm usually taller than you but sometimes I can be the size of a pencil eraser. I'm

A: A corn plant.

Q: If a kid loses a knee, where does he or she go to get a new one?

A: To a butcher shop where kid knees are sold.

Q: Why does Santa enjoy gardening so much?

A: Because he loves to ho, ho, ho.

Q: Why did the boy put ice in his father's bed?

A: So he could have a cold pop.

Why can't you tell secrets on a farm?

A: Because the corn has ears, the potatoes have eyes, the grass whispers and the horses carry tails.

What Am I?

I happen once in every minute, but twice in every moment. But never happen at all in a hundred thousand years. I'm

A: The letter "M".

senior league

by Bert Harrison

Dear readers, another busy weekend here at Hyland Crest. Here are some who had special guests. Millie Wood's daughter came and stayed with her to dine, Edith Welch's son Ron and wife Pat came and stayed with her to dine, along with Aunt Caroline. Bill Johnson comes, takes his mother out, stays to dine with her and wheels her all about. Jessie Walter's husband comes too and I'm sure there's many others come to visit sisters or lovely mothers.

Nice service in the chapel Sunday night. I was glad I could be there. Last Sunday I was in the hospital under nurses' care.

A beautiful sunning Monday morning the sky so blue and clear. Our girls have gone to Lindsay on a shopping spree. To buy presents for everyone here.

I think that Edna Cowan and Lillie Hogg were the weekend winners, Edna's son came, took them to his place for a birthday turkey dinner. Our son Roger & wife won a four day trip to New Orleans. Is that where they mostly live, working with beans?

We would like to thank Fern Donnelly this 19 November day for coming

and taking over while our girls were away.

Mark Schell, our head cook, said "We really had a good week, good time all around as far as the hunting goes, he managed to knock one down".

Tuesday morning Rev. Westhaver of Minden United Church, held a very impressive service in the

chapel, this lovely November day. We thank you both for coming and Maron Rose came the music to play.

We have a new waitress in our dining room. We welcome her by the way, she

is a student at Haliburton High School, her name is Donna Alton. She is getting on just fine, started in today.

Doris showed us three interesting movies this day, Island of the Long Summer, P.E.I. and Come in from away.

Congratulations we would like to say to the three ladies on this 21st November

day. Mrs. Edith Welch, Jessie Walter and Therm Corby. Mrs. Therm Corby celebrated her 81st birthday here at Hyland Crest with members of her family, Jane Pearson also her sister Marie Austen who was her special guest.

Wednesday afternoon we were truly blessed. The Coboconk Happy Wanderers wandered right into Hyland Crest. Performed a Christmas concert for us with music and voices sweet and clear. Such as the Santa Claus has come to town with his Rednose reindeer. It made us think of days gone by, when we hung up our stockings and we were kinda shy. To let our Happy Wanderers go now, just

wouldn't be right. They played and sang four good old numbers, like Silent Night. We wish to thank them for coming and look forward when you'll come wandering back to Hyland Crest again.

Now from Hyland Crest comes more news, Wilbert Sisson won the game of pity horseshoes. Then the next day at fun and fitness where we have lots of fun, the game

we played Doris Vaughan won.

Thursday afternoon members of the Eastern Star came on us to call. They not

only brought and served a tasty lunch, Mrs. Curry played lovely piano numbers which was enjoyed by all.

We were honoured to have Mr. and Mrs. Wesley Baker who came also, they

just celebrated their 65th wedding anniversary just a few days ago.

We thank the Bingo call-

ers who came Thursday night, Don and Opal Crowe, who called the bingo numbers and put on a real

good show.

Grace Coburn came along this Friday to lead us in a sing-a-long. No one came

the music to play, Doris Robertson took over and did a good job. Without these faithful people what

would we ever do?

The man who thinks he is a big shot is usually the first one to get fired.

Home Support news

by Donna Bailey

Have you ever dreamed of owning your very own Gingerbread House to eat with friends and family? Your dream could come true.

Ann Barker, from Carnarvon, has kindly donated one of her beautiful, edible creations for a raffle for Home Support. (Thank you, Ann).

Tickets are now available for sale at our office and in

the Drop-In Centre. Tickets are 3 for \$1.00. The draw will take place on Wednesday, December 19 in the afternoon - at our office. Just in time for you to place it on your table as a beautiful Christmas centrepiece.

Wilberforce meeting

We had a terrific response to our meeting in Wilberforce on November 16. 115 people enjoyed a delicious dinner; then enlightening

information on "Wills" presented by Ray Selbie.

Wheels

The Minden Wheels to Meals will be starting up again on Wednesday, December 5 and then alternate Wednesdays at the Fireside Restaurant at 1 p.m. Not only do we have a new meeting place but also new convenors: Muriel Proctor (286-2733) and Nelda Yakely (286-2872). Thank you, ladies for taking on this. Please phone either one of these ladies on or before December 3 for reservations. Our thanks to the former convenors, Gloria Lemieux and Georgina Deeks for the super job they did.

The Gelert, Ingoldsby, Lochlin and Donald (GILD) Wheels to Meals will be starting up again commencing on Wednesday, December 12 and then alternate Wednesdays at the

Wednesday, November 28, 1984

Fireside Restaurant at 1 p.m. Please contact Bessie Burk (286-1829) for reservations on or before December 10.

Other Wheels to Meals groups: Carnarvon meet at Reflection Restaurant alternate Tuesdays. Contact Mildred Archer (489-2408) for reservations. Haliburton meet at Locarno on the Lake alternate Wednesdays. Contact Fred Love (457-2725) for reservations. Contact Ev Stata (754-2204) for reservations.

Everyone is welcomed to come to any of our Wheels to Meals. The food is always delicious, the people friendly and the social time lots of fun.

Have you been into the "Woodcraft" by ARC's downtown store? It is full of beautiful gift giving ideas. It is located beside Stedman's for the months of November and December. Store hours are 10 a.m. to 5 p.m. Monday to Saturday.

Have a nice day!

Did you know?

by Bambi Gilder

Did you know...that the Haliburton Alcohol and Drug Education Centre, Inc. (H.A.D.E.C.) is presenting a two-part workshop on Drug Education?

The workshop will be held on Wednesday, December 5 at Sir Sandford Fleming College in Haliburton and will include an afternoon and evening session.

The afternoon session, which will run from 1:00 p.m. - 4:00 p.m., will be of interest to social service workers whose clients may include individuals with alcohol and/or drug-related problems.

The evening session, which will run from 7:00 p.m. - 10:00 p.m., will be of interest to residents of Haliburton County who are concerned about the abuse of

alcohol and other drugs.

A nominal fee of \$5.00 will be charged for the afternoon session only. Reading materials will be supplied and refreshments will be served.

The keynote speaker for both sessions will be Mr. Doug Chaudron, an instructor at the school for Addiction Studies in Toronto, a division of the Addiction Research Foundation.

Please keep in mind that your County Information and Referral Centre is open Monday through Friday, 10:00 a.m. to 4:00 p.m. and is located in the Drag River Municipal Building in Haliburton. Why not drop-in or give us a call at 457-2733.

And remember, you will never know the answer, until you ask the question.

CARD OF THANKS

I would like to say a sincere thank you to my friends and relatives for their prayers, visits, cards and gifts while I was a patient in Lindsay and Minden hospitals.

Florence Robinson

CARD OF THANKS

The Holliday-Rhodes family wish to sincerely thank Bob Heppleston for his daring rescue of their kitten that had been stranded up a very high tree for three days.

We wish to thank everyone who helped in any way to make our retirement party a very special evening. Special thanks for the lovely gifts from our friends, the beautiful cake from Jinny Chappell and the special gift from our family. Sincere appreciation to Bob and Helen Schroeder and MNR recreation committees for their contributions to the evening, also the volunteer musician's who did a fine job.

God bless you all.

Blanche and Harvey MacIntosh

The family of the late Arthur E. Hunt wish to express their sincere thanks and appreciation to everyone for the lovely floral tributes and acts of kindness. Special thanks to Eleanor and Frank Ferris and to Mary and Ollie Orpana and Dr. Lodenquai.

Iris Hunt

IN MEMORIAM

HUGHES: In loving memory of husband Lanny Roy who passed away November 29, 1982.

I remember the day I met you
And the day God made you mine.

I remember the day I lost you
And will till the end of time.
Among the tears and heart-aches

There is one thing makes me glad
That you chose me to spend with you
The few happy years we had.
Always remembered by wife Shirley.
